## **FOREWORD**

This booklet lists all products carried by the Board, and also provides brief answers to questions most commonly asked about our store operation. A section to assist visitors to Alberta is included under the heading "Tourists" in General Information at the back of the booklet.

We endeavor to carry adequate stock of a representative selection of the best and most popular brands. Because it is impossible to carry in stock every item that might be requested, special orders for a minimum of one full case of any brand will be obtained if possible. (Please refer to page 37.)

We would be pleased to receive your suggestions for improvement of store service, brand selection, or any other phase of our operation. Letters should be addressed to Box 2360, Edmonton, Alberta.

**A. D. ELLIOTT,  
Chairman.**

**J. F. FALCONER,  
Vice-Chairman.**

**J. M. McCRAY,  
Board Member.**

# WINES

## WINE INFORMATION

Wines are listed under five categories, according to the way they are used.

1. **Appetizer Wines**—serve chilled before meals.
2. **Dessert Wines**—range from sweet to very sweet and are usually served at room temperature with dessert.
3. **Red Table Wines**—range from dry to medium dry and are most suitable when served at room temperature with red meat or game.
4. **White Table Wines**—vary from dry to sweet. Dry types are best served with seafood and white meats, and the sweet with dessert. Serve chilled.
5. **Sparkling and Bubbling Wines**—are suitable for serving before or during a meal. They should be chilled.

The question of which wines are best to serve with different foods is difficult to answer since it depends on individual taste or preference. The above suggestions are only a guide.

Sweetness or lack of sweetness for each wine is indicated by an index number after the name. (1) denotes a dry wine, with each higher number through to (20) indicating increasing degrees of sweetness.

Generally speaking Sparkling and Table Wines contain less than 14% Alcohol by volume, and will not keep after being opened.

Appetizer and Dessert Wines contain more than 14% Alcohol by volume and keep quite well after being opened.

Wines should be stored in a cool ( $55^{\circ}$ ), dry cellar. Table Wine sealed with a cork should be placed flat on the shelf to keep the cork damp, and prevent the contents from spoiling.

Eventually most wines deposit a sediment which is formed during the natural process of aging. To serve such wines, pour carefully after the sediment has settled.

GENERAL  
INFORMATION

## **GENERAL INFORMATION**

This list is subject to change without notice.

The contents shown for each item are approximate. Refer to the statement of contents shown on the bottle or label. Store managers will be pleased to show you a bottle of any brand before you purchase, on request.

### **TOURISTS**

The following information is set out separately to provide a quick reference for visitors.

Alberta Liquor Stores are located in most of the larger towns and in all cities, with Edmonton and Calgary being served by several. In rural areas they are usually open from 10:00 A.M. to 6:00 P.M., and in larger cities from 10:30 A.M. to 11:30 P.M. Tourist centre stores are on extended hours during the summer. Detailed information about store hours is given at the back of this booklet.

At Jasper and Banff the board carries quite a large number of additional brands during the tourist season. In general, citizens of the U.S.A. can take one bottle of alcoholic beverage back with them, but state regulations vary and in some it is not permitted. If you are doubtful, please ask the store manager for information.

When referring to alcohol content Americans and Canadians use the same words, but they have a different meaning. A chart at the back of this book will help to clarify the question for you. A similar situation exists in respect to liquid measure, and complete information is available from store personnel.

In Alberta it is illegal to consume alcoholic beverages in a public area, which includes your automobile. Bonafide travellers may transport opened bottles provided they are placed in the travellers' luggage with his clothing and necessities of travel. This only covers, very briefly, two aspects of provincial liquor laws, and it is recommended that you pick up a small booklet on the subject available at our stores.

Our store staff are trained to assist you, and will be pleased to do so.

### **PURCHASES**

Purchases must be paid for in cash.

Permits are not required except under special circumstances, details of which are shown under the heading "Special Permits".

No purchases may be made by a person under 21 years of age, an Interdicted Person, or anyone otherwise disqualified under The Liquor Control Act, 1958 or any other statute.

It is impracticable to carry in all stores a full line of the various brands listed. However, should a customer desire a particular brand which is listed but not stocked at the store supplying his district, the Manager will, upon request, order it from the Warehouse.

## PRICES

Prices are uniform at all Alberta Liquor Stores.

- (k) Resale Permits may be only issued to a recognized association or organization.

## Bonspiels

Special Permits are authorized only in connection with a banquet, luncheon, reception, presentation of prizes or similar social function in conjunction with a bonspiel or other sporting event.

## Hours

A permit may be issued for a period of 5 hours permitting the service of liquor for  $4\frac{1}{2}$  hours with a thirty-minute tolerance period thereafter in which liquor served during the permitted time may be consumed. ## **EMPTY BARRELS**

Empty wooden wine barrels are sometimes available. You can get information about purchasing them from your local Store Manager, or from the Alberta Liquor Warehouses at Edmonton or Calgary.

They are sold for \$3.00 each F.O.B. warehouse Edmonton in 65-gallon capacity (approximately).

## **MAIL ORDERS**

### **(1) General**

When ordering by mail, customers should send an order, stating Brand, Price List number and quantity required to the closest Mail Order store—see list below.

As shipment cannot be made until payment has been received, a remittance to cover should be sent with the order. Remittances should be made by Certified Cheque or Money Order—stamps and uncertified cheques cannot be accepted. It is strongly recommended that you do not enclose Cash, as the Board will not accept any responsibility for remittances made in that manner.

If a Brand ordered is out of stock, another Brand, if available, most nearly approximating in price that ordered, will be substituted.

In the event of a shortage in the amount remitted, the order will be held until the customer is communicated with, and the shortage made good. In the event of overpayment, the order will be filled and a money order for the balance, less expenses, mailed to the customer at his given address.

## (2) For shipment by Express

All Mail Orders for shipment by Express should be addressed to whichever one of the following stores is closest to the purchaser. Express charges on all shipments with the exception of beer and malt liquor will be paid by the Board. Shipments of Beer, Ale, Stout and Malt Liquor will be forwarded "Express charges collect".

Alberta Liquor Warehouse, 12360-142nd Street, Edmonton  
Alberta Liquor Warehouse, 2015 Centre Ave. E., Calgary  
Alberta Liquor Store, Fort McMurray  
Alberta Liquor Store, Hanna  
Alberta Liquor Store, Killam  
Alberta Liquor Store, Lac La Biche  
Alberta Liquor Store, 421 - 7th Street S., Lethbridge  
Alberta Liquor Store, 764 - 3rd St. S.E., Medicine Hat  
Alberta Liquor Store, McLennan  
Alberta Liquor Store, Manning  
Alberta Liquor Store, Peace River  
Alberta Liquor Store, Wainwright

## (3) For Shipment by Mail

The Board will, if specially requested to do so, ship liquor excepting Beer, Malt Liquor, and Wine in jars, by Registered Parcel Post, direct to the Post Office address of the customer—provided that no express agent is located at that point. Where an express agent has an office all shipments will be forwarded by express.

Customers wishing to take advantage of postal arrangements must give instructions to that effect with their order, and forward it to one of the following points:

Alberta Liquor Warehouse, 12360 - 142nd St., Edmonton  
Alberta Liquor Warehouse, 2015 Centre Ave. E., Calgary

Store Managers at other points cannot ship orders by mail under Postal Regulations. Liquor sent by mail is forwarded at the risk of the purchaser, and the Board cannot be responsible for loss or damage in transit. Goods are packed in strict accordance with the Postal Regulations, and special care is taken to ensure that such packages leave our warehouse intact.
